

2008 SUMMER ADVENTURES with CCLC!

Bug juice, tether ball and lukewarm local pools are fine for lazy summer days, but if you're looking to get your child actively involved in a summer program that's engaging and educational (shhh! don't tell them!), then listen up. We've got nine theme-based summer experiences that your youngster will actually look forward to sharing in those inevitable "what I did on my summer vacation" presentations. Whether your child is a curious chef, aspires to appear on *Dancing with the Stars*, or intends to conquer the mighty jungle!

June 16–20

Great Outdoors — Yoda le e hoo! Who doesn't enjoy good old fashioned outdoor fun? Roll up your sleeves and get dirty in the garden! This week is packed with outdoor adventures that don't stop at camping and cook outs. There are treasure hunts to be had, outdoor sports to experience, forts to be built and unique games to engage even the most comfortable of couch potatoes.

June 23–27

Continental Adventures — Enlist in an adventure that will whisk you around the world! Jump from continent to continent, and country to country, to experience different cultures. Share where your ancestors are from and partake as we investigate food, dress, and customs. The diversity will be astounding and an adventure not to miss!

July 7–11

Creative Cuisine — Join us for a week packed with creativity and flavor! Ever wonder how the filling gets inside a Twinkie, or the fortune gets inside the fortune cookie? Well wonder no more! We'll explore the answers to these kitchen mysteries and create our own recipes and taste test our creations. And, of course we'll travel to the farm to discover the roots of our ingredients.

July 14–18

Entertainment Tonight — "I'd like to solve the puzzle please..." Can you imagine the fun you'd have as a contestant on *Wheel of Fortune*? Or how about a reporter for *Access Hollywood*? Maybe *Family Feud* is your cup of tea? Whatever your entertainment pleasure, this week will be right up your puzzle-solving alley! Join us for daily re-creations of primetime entertainment and new entertainment extravaganzas by our very own campers. Don't like to be in front of the camera? Not to worry, there's plenty of fun to have writing, building sets, and designing costumes.
