

TOP 10 REASONS WHY YOU NEED TO
VISIT THE *GREEN SECTION*
AT THE FRANKLIN CARNIVAL ON 5/18!

10. You've always wanted to learn about composting but didn't know how
9. You have old batteries, cell phones and printer cartridges to recycle but don't know where to deposit them (HINT: bring them to the Green Section and get credit punches back on your punchcard!)
8. You want to check out what cool resources and materials can be used in your home for sustainable remodeling/building
7. You want to learn about green landscaping/gardening ideas
6. You want to try a fresh salad of veggies grown at our very own Franklin garden
5. You want to make cool recycled glass beads necklaces, bracelets or anklets to wear this spring/summer
4. You want to test your recycling I.Q. at our game tables
3. You want to get free GE Lighting energy-efficient lightbulbs for your home
2. You want to learn how to conserve water and other valuable Earth resources
1. You can't think of a better way to turn GREEN than at our Franklin Carnival!

Come one come all and check out Franklin Carnival's inaugural
GREEN SECTION!!!!!!
